

Happy New Year everybody and a warm welcome to our new children and their families! We look forward to getting to know you all over the next few months. If you have any concerns about how your child is settling into life at 'big school' then please don't hesitate to have a chat with us.

Our topics this half term are Winter and Where Do We Live? Amongst other things we will be learning about life in winter, our local area and different types of homes.

As many of you are already aware, we continually observe and make notes of your children in play to form their 'Foundation Stage Record'. In order to ensure your child's file is a true and rounded record of their achievements, please continue to fill in your observations from home. If you have any questions about what would form an appropriate observation please see one of the Early Years staff.

As you know we have a voluntary early years fund of £2 per half term. This also covers little extras such as enhancements for the role play and foodstuffs. Your donations will be gratefully received. We will finish this half term with a special Valentine's session for people we love – more info to follow.

Thank you
The Early Years Team

Winter
